Swimming Lessons for Baby Sharks[®] Program Goals Questionnaire
Summer Associates 2018

- What are your key goals for the program?
- Is the program part of a larger summer associate training program, and if so, how should the programs complement each other?
- Anticipated program length?
- What challenges have you had with past summer associate classes?
- What has been successful with past classes?
- Specific behaviors/issues that are important for the program to address?
- Anything unique that you anticipate about the upcoming summer associate class?
- I would consider the program a success if: _____.
- It would be most helpful to me and the other professional development/recruiting professionals if the program accomplished: _____.
- After the program, the summer associates should feel: _____.
- If you have had programs from outside presenters in the past, what about those programs was particularly successful or unsuccessful?
- Could follow-up during or after the summer be useful?
- Other needs, goals or considerations?
