MEMORANDUM

TO: NALP Members
FROM: 2024-2025 NALP Nominating Committee
DATE: February 12, 2025
RE: Slate of NALP Board Officers & Directors/Notice of Annual Business Meeting

The 2024-2025 NALP Nominating Committee is pleased to announce the slate of Officers and Directors for the 2025-2026 NALP Board of Directors. This year's Nominating Committee was charged with slating candidates for the following Board positions: President-Elect, Vice-President for Finance, and five Directors.

From among numerous highly accomplished candidates, the Nominating Committee had to make very difficult choices. During our deliberations, we considered many factors, including NALP experience, regional representation, diversity, job experience (recruiting, PD, DE&I, counseling, public interest), and candidate and reference interviews. As you will see, this new slate of officers and directors represents the best of NALP—members from national and international employers and private and public law schools of various sizes in cities large and small. These individuals have earned significant professional credentials, and we are excited about the creativity and energy these newly slated NALP board members will bring to their roles.
