RE: NALP Law School Chief Officers Interest Group Quarterly Report

A. Summary

During the last quarter, the Law School Chief Officers Interest Group met three times: January 15, 2026, February 10, 2026, and March 11, 2026. At each meeting we had approximately 25 attendees. The Group will meet next at the AEC on April 15, 2026.

B. Topics of Discussion

The Chief Officers who participate in this Group are seeking guidance and support from one another through this accelerated recruiting cycle. While the recruiting timeline has remained a topic during the most recent discussions, we also covered AI and Microsoft skills development, building credibility for CSOs with faculty and other administrators, the advantages and disadvantages of various technology platforms, including 12Twenty, Symplicity, and FloRecruit, the ABA EQ, and students continuing their job search after accepting offers (and then renegeing on said offers).

C. Future Meeting Dates

The group will meet next at the AEC in Hollywood, Florida on Wednesday, April 15, 2026, at 7:30 am. We will then resume monthly meetings in May 2026.
