RE: NALP Law School Chief Officers Interest Group Quarterly Report

---

#### A. Summary

Starting at the Annual Education Conference in Cleveland, the Law School Chief Officers Interest Group has met three times: April 9, 2025, May 13, 2025 and June 10, 2025. At each meeting there have been approximately 20-25 attendees. From the start the Group liked the idea of meeting monthly and so we quickly set up a schedule and shared the dates along with Zoom links on NALP Connect for the monthly meetings through to the next AEC.

#### B. Topics of Discussion

This is a highly engaged network of professionals. The Group is a forum to seek advice on some of the thornier current issues faced by law school career offices. Many participants are eagerly sharing their experiences, both positive and negative, to inform and be thought partners with the Group.

1. Federal Recruiters On Campus
2. Students 'Collecting' Offers
3. Evolving Offers
4. Educating Faculty about Current Recruiting Timelines
