Re: Fourth Quarter Board Report, NALP Law Student Professional Development Section

We are serving as co-chairs of this section. Jessica Herndon serves as our liaison to the Lawyer PD Section, and we understand that Susanne Aronowitz is serving as the Lawyer PD to our Section. We also understand that Carmia Caesar has been appointed as a DEI liaison to this Section. We still have not received any outreach from Carmia, but she is welcome to participate in any Section meetings or initiatives.

Our meeting this quarter was held on February 25, 2026, in partnership with the Lawyer PD Section. Together, we created a panel discussion involving law firms and schools about how to handle issues relating to AI. We had more than 60 participants join the call. We had several nice comments about the utility and efficiency of the meeting. This was the last meeting of the NALP season.

The next meeting will take place under new leadership at the NALP AEC in Hollywood. We have been advised that new leaders have been selected for this role, and wish them the best in the coming year.
