SUBJECT: NALP Legal Employer Alumni Relations/Programs Section – Third Quarter Report

SUMMARY

This report summarizes recent third quarter activities of the Legal Employer Alumni Relations/Programs Section.

SECTION REPORT

We have scheduled a Section conference call for February 5 to discuss the impact on law firms of Oracle's recent acquisition of SelectMinds. SelectMinds has served as the vendor for many of our alumni websites.,

We have also invited Section members to participate in a CAPE call which will deal with business development issues and alumni events.

I continue to respond to calls from NALP colleagues seeking advice on Alumni Relations programs.
