SUBJECT: NALP Legal Employer Alumni Relations/Programs Section – Fourth Quarter Report

SUMMARY

This report summarizes recent fourth quarter activities of the Legal Employer Alumni Relations/Programs Section.

SECTION REPORT

I have had several conference calls with Sheri Askinazi, our new Section Chair, to discuss the passing of the Chair baton. I am confident that Sheri will breathe new life into this Section.

We look forward to the upcoming Section meeting at next week's Conference when Sheri will select volunteers to oversee RFP's, articles and environmental scanning for the coming year.
