Information about Serving on Council (their governing body):

In the spring, the Division contacts state bars, relevant ABA entities and ABA affiliated organizations seeking nominations to council. The Division's Nominating Committee also nominates at-large members to council. Nominees then stand for election in August at the ABA Annual Meeting. Council member terms are three years and they are eligible to serve two three-year terms. Council members are required to attend three council meetings per year.

Report any upcoming project or event of interest to NALP:

I will be a panelist on an online "live chat" "My Job Is Driving Me Crazy." Registration is likely to be limited to 50 audience members who type in their questions which we discuss. There will likely be 5 panelists and a moderator.

I am writing an article on transitioning from private sector to public sector for publication in the Divisions newsletter.

Report any goal(s) you hope to accomplish by end of your term:

I will continue to encourage them to offer the law student job fair again at either their annual meeting or their mid-year meeting.

Report any goals suggested for the next year:

Try to get on Council as the Council is the place of authority and inclusion and could be very useful to NALP making better alliance with this Division and the ABA.

Identify any other NALP members(s) who also play a role of note with this entity:

None I know.

Identify what significant benefits there are for NALP to continue this liaison relationship:

Increasing NALP membership.

Selling NALP products (books, videos, webinars) to their membership.

Influencing ABA policy.
