

NALP Liaison Report – January 2014
ABA Law Practice Division Liaison
Michele Bendekovic

I met with Michael Downey, Chair, ABA Law Practice Division and Member, ABA Task Force on the Future of Legal Education in Washington DC on December 11, 2013.

He is very amenable to developing a relationship with NALP. He teaches a course in January at Washington University Law – St. Louis. We agreed to talk again after his course ends.
