

NALP Liaison Report
PDC Liaison
Michele Bendekovic

I am serving on the PDC winter meeting planning committee. The PDC winter meeting will take place on December 5, the day before PDI. The planning committee is responsible for planning the meeting agenda and the logistics for the meeting. The planning committee is also promoting PDI and the PD Management Foundations Course to the PDC membership.

My PDC summer conference highlights article appeared in the October NALP Bulletin.

I will be asking the PDC Board for the opportunity to promote the Newer Professionals Forum to the PDC membership.
