Report any meetings, webinars, calls or conferences with organizations you have attended in the last 3 months:

I represented NALP at PLANC's fall Board Meeting in New Orleans, October 18 -19, 2019. During the meeting I presented on Class of 2018 employment outcomes and answered questions about the current legal marketplace.

I continue to monitor the PLANC listserv should there be career-related questions that I can answer.

Report any notable information or project of interest to NALP/NALP members:

PLANC is currently in the planning stages for the organization's quadrennial member conference, which will be held in New Orleans June 8 – June 11, 2020.

Report any upcoming project or event of interest to NALP:

PLANC's Community College Task Force is working with the Pre-Law Transfer Student Project, a project focused on serving the needs of community college students interested in attending law school in future. This pipeline project provides resources for both students and pre-law advisers. PLANC recently added to its website a link to the project's website: <https://www.prelawtransfer.com>

Report any goals suggested for the next year:

As I learn more about PLANC and its members' needs, I hope to identify resources that NALP can share, create or update to benefit pre-law advisers.
