### **Report any meetings, webinars, calls or conferences with organizations you have attended in the last 3 months:**

Outside of monitoring the PLANC listserv and involvement in a few email conversations with the PLANC Board, I have had limited involvement with PLANC since the last NALP Board Meeting.

By the time of your Board meeting, I will have shepherded a June 29 NALP presentation at PLANC's virtual conference (more on the conference below). The presenters are/were Jerry Organ and Jim – though at the time of typing this the event has not yet occurred, we can all assume Jim was great.

### **Report any notable information or project of interest to NALP/NALP members:**

Similar to NALP, PLANC reached the unenviable decision of cancelling the organization's quadrennial member conference, which was to have been held in New Orleans June 8 – June 11, 2020. PLANC has delayed the conference until June 2021, though to keep members engaged, throughout June they held PLANC 202X, a nine event virtual conference. I have not yet read any feedback on PLANC 202X, though hope to be able to share that information for your next Board meeting.

### **Report any goals suggested for the next year:**

Continuing a theme from prior reports, as I learn more about PLANC and its members' needs, I hope to identify resources that NALP can share, create or update to benefit pre-law advisers.
