STATEMENT OF INTEREST

I am happy to accept the nomination for the Conference Planning Coordinator role. I have been a member of NALP for ten years now, ever since I was a newbie lateral recruiter on the firm side. I had been a practicing lawyer for 12 years, but I had a lot to learn in my transition. Knowing how much of a resource and a solid landing pad that NALP provides is why I continue to look for ways to become involved. Now that I am working on the school side, I have come full circle and bring my experiences as a law student, as a legal practitioner, as a law firm recruiter and now as a law student advisor to this role. From my first NALP Conference, the NPF in 2015, to the most recent AEC in Boston in 2024, I have come away from each conference with renewed excitement about how we can improve hiring processes for students as well as lateral candidates, and make sure our own teams are growing professionally. I am excited at the prospect of working with my NALP colleagues to plan an amazing conference and I am grateful for this opportunity.
