STATEMENT OF INTEREST

I am excited to submit my candidacy to serve as a candidate for the NALP Nominating Committee for the Northeast Region. With over a decade of experience in legal recruiting, a proven track record of leadership in professional associations, and a commitment to fostering equitable access to opportunities, I am confident in my ability to contribute meaningfully to the critical work of this committee.

My dedication to advancing the legal profession extends beyond my day-to-day work. As a longstanding and active NALP member, I have had the privilege of collaborating with professionals across the industry to promote diversity, inclusion, and mentorship, including my involvement with the NALP Asian American Affinity Group. Similarly, my tenure as President of the Bay Area Legal Recruitment Association (BALRA) and my leadership across various committees—focused on mentorship, technology, and networking—demonstrate my commitment to encouraging and guiding other professionals to take on active roles within the organization.

With my combined experience in leadership, collaboration, and an understanding of the legal recruiting landscape, I believe I can contribute meaningfully as a member of the NALP Nominating Committee. This role would provide a valuable opportunity for me to support and empower individuals as they pursue leadership within the organization. I am especially drawn to the committee's responsibility in shaping NALP's future by ensuring its leadership embodies the diversity, vision, and professionalism that define the organization. My leadership experience, strategic insight, and commitment to collaboration make me a suitable candidate for this position.
