Building relationships has been the most rewarding aspect of my recruitment career. NALP has been instrumental in fostering connections across the country, and I thoroughly enjoy being part of this community. Now more than ever those connections and information sharing is so important to all aspects of the legal recruitment industry. I wish to serve as Regional Representative to give back a little of what I have received from the NALP community by connecting and serving recruitment professionals in the Southeast.

EMPLOYMENT

McGuireWoods <i>Regional Attorney Recruiting Manager, December 2023 – Present</i>	Atlanta, Georgia
