STATEMENT OF INTEREST

I am honored to accept the nomination for NALP's Nominating Committee. With over 15 years of active membership, I have consistently leveraged NALP's resources in my professional roles, contributing to the organization's growth. My leadership experience as board chair in legal and not-for-profit organizations has equipped me with the skills necessary for this role. I bring a strong background in cross-sector collaboration, strategic planning, relationship building, business development, and fundraising. I am excited to apply my expertise to help NALP thrive and build upon the foundation established by its members and the Board. Serving on the Nominating Committee would allow me to contribute to NALP's evolution while upholding its core values of fairness, precision, and diversity. I look forward to engaging with members in my region and identifying future leaders. I appreciate your consideration for this role.
