## **STATEMENT OF INTEREST**

I am honored to accept my nomination for Conference Planning Coordinator. Since becoming a NALP member in 2018, I have had the privilege of holding various leadership positions that have equipped me with the skills and experience necessary to contribute effectively to the Conference Planning Committee's goal of delivering timely and thoughtful programming at the Annual Education Conference.

In my role as Co-Chair of the Recruiting Section, I have engaged in numerous discussions with members about the content they would like to see presented at the Annual Education Conference and what they value most about the meeting. If elected, I will continue to actively engage with our region and the overall membership to ensure that the Annual Education Conference remains an exceptional platform for learning, connecting, and innovating.

Thank you for considering my candidacy. I look forward to the opportunity to make a meaningful impact within the NALP community.
