

Survey of Legal Employers on 2022 Recruiting

SURVEY DUE DATE:

November
10
2022

If you have questions, please contact Danielle Taylor, NALP's Research Director, at (202) 835-1001 or dtaylor@nalp.org.

As always, your data are completely confidential. No information about your organization specifically or that could be attributed to your organization will be published.

ABOUT THE SURVEY

Each year NALP asks your office/firm to provide information about the outcomes of your summer program and recruiting. The information that you report enables NALP to provide the critical benchmark information that you want and need on all these topics. Findings from this survey will be published in *Perspectives on 2022 Law Student Recruiting*, providing you with the only benchmark resource available on this important topic, as well as in a NALP member webinar in early 2023. The survey asks for outcomes as of **November 1, 2022**; however, you need not wait until then if you have final figures before that date.

If you use one of the commercially available recruiting packages, such as viDesktop or Lawcruit, you already have easy access to most of the information needed to complete this survey. Please contact your provider if you have any questions about reporting capabilities.

As always, your data are completely confidential and will only be reported in aggregate. No information about your organization specifically or that could be attributed to your organization will be published.

HOW TO COMPLETE THE SURVEY

Complete the survey online at: <https://survey.vovici.com/se/17CFEB6076508AC5>.

This PDF has been made available to assist in compiling your figures; however, **all data must be submitted directly via the online survey**.

If you will be submitting a survey for more than one office, submit the first survey, email or print/save a copy of the report for your records, and then open, complete, and submit as many subsequent surveys as needed by pasting the survey link into a new browser window.

Thank you for helping NALP to compile the only comprehensive report on recruitment activity. Your time and willingness to contribute to this report help to ensure a comprehensive report.

SPECIAL NOTE TO MULTI-OFFICE FIRMS

This survey is being distributed to all offices of your organization reflected in NALP's database. NALP strongly encourages you to submit a separate survey for each office. **Office-specific surveys will provide the most consistent and comparable information for the analyses from this survey and allows us to report city-specific information, one of the most valuable, and sought-after, features of NALP's reporting on recruiting.** If office-specific information is not possible, please indicate where requested that the figures are for multiple offices. Also, if an activity occurred in an office or offices other than that submitting the survey, please specify in which office(s) the activity occurred where requested.

1. Is someone from your office registered to attend the 2023 NALP Legal Recruiting Summit?

Yes (if yes, please read the note below and provide the information requested)

Special note to NALP Legal Recruiting Summit attendees: As noted when you registered, completion of this survey is required for attending the Summit.
