

## NALP Survey of Law Schools on 2015 Recruiting

Please provide your school name and total JD enrollment so that NALP can group your school appropriately for analysis, maintain follow-up records, and contact you if there are questions about your data. You must complete these two items in order to continue with the survey.

---

**Total** Fall 2015 JD enrollment

- Fewer than 550  
 550-750  
 751-1,000  
 More than 1,000

### 1a. How many employers recruited on your campus during the period August 1 - December 1?

Using the method by which you count employers at your school, indicate the number of employers who traveled to your school/university campus to interview during the two most recent 'fall' periods. Do not include employers interviewing your students only via job fairs/consortia and other off-site interview programs, or employers who may have canceled their visit.

Fall 2014

---

Fall 2015

---

### 1b. How many employers requested a 'resume collection' during the period August 1 - December 1?

Indicate the number of employers who did not interview on campus but who requested that your office collect, bundle and forward resumes (resume collection) during the two most recent 'fall' periods. Do not include employers posting jobs and requesting direct applications.

Fall 2014

---

Fall 2015

---

### 2a. How many employers recruited on your campus during the period February 1 - July 31?

Using the method by which you count employers at your school, indicate the number of employers who traveled to your school/university campus to interview during the period February 1 - July 31. Do not include employers interviewing your students only via job fairs/consortia and other off-site interview programs, employers who may have canceled their visit, or employers only receptions or information sessions.

**FOR INFORMATION ONLY—NOT FOR SUBMISSION**

Spring 2014

---

Spring 2015

---

**2b. How many employers participated in early outreach to your students during the period February 1 - July 31?**

Using the method by which you count employers at your school, indicate the number of employers who hosted information sessions or some other form of early outreach to your students during the period February 1 - July 31. [These events may or may not have involved resume collection and may or may not have resulted in some early offers to your students.]

Spring 2014

---

Spring 2015

---

**2c. How many students received offers for employment for their 2L summer (summer 2016) prior to the start of your official OCI program?**

---

**3. How many job fairs and regional interview programs did your students participate in?**

Indicate the number of regional interview programs and job fairs in which your school participated or at least one of your students attended. Job fairs may include consortia and other national, regional, or local programs, e.g., Southeastern Minority Job Fair, National LGBT Bar Association Career Fair (formerly Lavender Law), Loyola Patent Law Interview Program. If none, please enter "0."
